

H.A.N.D.S LLC is currently serving students and families from the Fairfield County. We work hard to provide

and support events that benefit the communities we serve.

Our community events included our children book giveaways. Follow us on social media for more details. We support local college fairs to help our students achieve a higher education. Throughout the year we collect items that can be used to create winter care packages for families in need.

# Services

## Play groups

Our play groups provides young children a safe environment to socialize, play and explore with peers. The group sessions also allow parents the opportunity to network with other parents.

Who: ages 1-3 and ages 4-5

When: Play groups are provided on a semester basis

Fee: \$50 for a play group sessions

## Tutoring Program

Our goal is to provide students with a comfortable environment where they can improve grades and achieve new academic stages.

Who: Students Pre K- 6 Grade

When: Sessions are provided throughout the entire year (must make an appointment)

Fee: Junior Session  
\$20.00/hour (small group)

Senior Session \$25.00/hour (one on one with tutor)

*Questions? Contact us for more information*

## College Preparation

We know that applying for college can be an exciting and overwhelming time, let us give you a helping HAND. We provide support in writing college essays and completing applications.

Who: High School Juniors and Senior

When: Sessions are provided throughout the entire year (must make an appointment)

Fee: \$20/session
